Subject: Re: Fw: I won't be able to go outt to addison today-one of my sites fell below 28.5 and I have to meet with my contractor
Date: 04/13/2012 12:35 PM

Empire--opps thats a fruedian slip-Wilcox currently around a 23--still working on strategy---and I hate myself for saying this--we may need more samples---and I want our contractor to collect them. Still working on the issues.
